EXHIBIT 36

Introducing \(\Lambda \) NCHOR

A savings instrument for the 21st century

ANCHOR is a high APR money market account for your customers

Basics

5% APR

Withdraw/Deposit Anytime

ACH/Wire In and Out

The APR Source

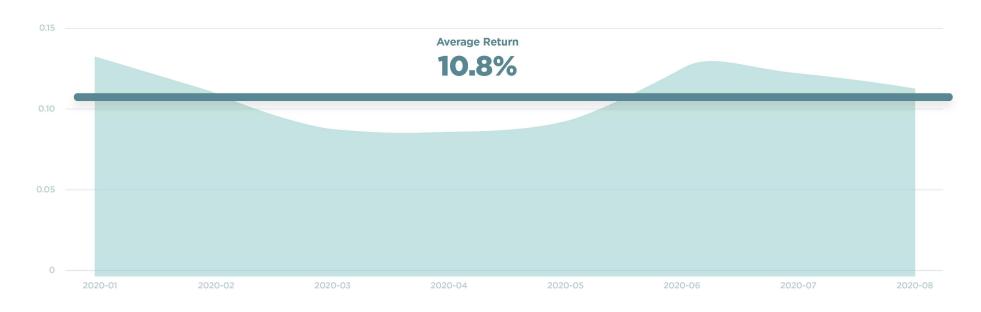

- 500K monthly customers are transacting \$1.5mm a day with Terra ecommerce payment app
- Merchants pay a ~1% fee by on those transactions
- The transaction fees are distributed to Terra holders- which creates 5% APR

User Onboarding is Simple

Luna Staking Rewards

Annualized Return by Month

PrimeTrust

Regulated Nevada Trust company

Handles all USD deposits and withdrawals and deposits funds for APR earning into Anchor

Protections

- Today not FDIC-insured
- Depending on expected deposit sizes,
 Terra may gurantee deposits for full value.

Besides Terra

ANCHOR is backed by many well funded companiesvo
